WITCHMARK
DISTILLERY

Pure English Spirit

One of England's largest
whisky distilleries is due to
launch in Wiltshire.

Nestled in the stunning countryside of south-west Wiltshire, we are placing sustainability at the heart of everything we do; scouring barley from the fields beside us, and pure chalk water rising from the ground beneath our feet.

We are opening our doors this summer, starting with our single estate gins and vodka while our new-make matures in cask.

COTSWOLDS
DRY GIN

Nestled amongst the rolling hills of the Cotswolds countryside, the Cotswolds Distillery was born from a dream to produce authentic and outstanding natural spirits in one of the most beautiful regions in the world.

The distillery opened its doors in 2014 and is the first full-scale distillery within the Cotswolds - a designated area of outstanding natural beauty. From single malt whiskies to gins and liqueurs, everything Cotswolds Distillery makes is about quality and flavour above all else.

We strive for excellence and we're incredibly proud of what we achieve. So as we excitedly enter our 10th year of Cotswolds distilling, why not come along on our journey of bringing English spirits to life?

COTSWOLDS DRY GIN

Our award-winning Cotswolds Dry Gin is a delectable blend of nine carefully considered botanicals, including local lavender from the Cotswolds and freshly peeled pink grapefruit and lime zest. Due to the unusually high volume of botanicals we use, our gin causes a beautiful pearlescent cloud to appear when ice or tonic is added. A juniper-led gin with fresh citrusy notes and a hint of lavender.

For the perfect Cotswolds Cloudy G&T, fill a large copa glass with ice, pour over a 50ml measure of gin and top with classic tonic water. Garnish with a slice of pink grapefruit and a fresh bay leaf.

TASTING NOTES

NOSE:

Fresh notes of grapefruit with earthy coriander, backed up by sweet, piney juniper with a hint of perfumed lavender.

PALATE:

Clean, pine juniper spice with fresh grapefruit and coriander seed. A touch of dryness from the angelica root with eucalyptus notes from the bay leaf. Subtle lime and lavender.

FINISH:

Clean and balanced. Juniper, citrus and some cooling aromatic notes from the bay leaf and cardamom.
